FROM THE NETWORK

A month of going further out

Three things this month, and a thread running through all of them: the work moved towards the people hardest to reach. A parish hall in South B. A summit in Abuja convened around the most marginalised. A leadership course that put a Kenyan sister in a room with 23 countries.

PREVENTION

Over 150 young refugees, one parish hall

Talitha Kum Kenya held a workshop at Our Lady Queen of Peace Catholic Church, South B, creating awareness on human trafficking among youth refugees from the Democratic Republic of Congo, Rwanda and Burundi. More than 150 young people took part.

The initiative was made possible through our partnership with Tushirikiane Africa Trust (TUSA) and the Missionary Sisters of Our Lady of Africa.

Young refugees are among the most vulnerable to trafficking and exploitation, often facing language barriers and limited access to information — gaps that traffickers actively seek out. Creating spaces for open dialogue and education helps young people recognise risk, protect themselves and look out for one another.

As these young people return to their communities armed with knowledge and a renewed sense of purpose, they carry the potential to become powerful advocates for change.

PARTNERSHIP

Leadership training in Bangkok

In June 2026, Sr. Mercy Mwayi, Director of Talitha Kum Kenya, took part in the in-person phase of the 6th Talitha Kum Leadership Training Course in Bangkok, Thailand, joining 28 Talitha Kum members from 23 countries after six months of online preparation.

The course focused on leadership, public speaking, advocacy for systemic transformation and networking. Participants were also guided in developing anti-trafficking projects that can be implemented in their own contexts.

This global learning experience strengthens our commitment to building capacity, deepening partnerships and advancing efforts to prevent trafficking, protect survivors and uphold the dignity of every person — and it comes home with us, into the trainings we run here.

PARTNERSHIP

The first PFAN Summit, Abuja

In May 2026, Talitha Kum Kenya was honoured to participate in the inaugural Pan-African Freedom Network Summit, held in Abuja, Nigeria. The summit convened anti-trafficking practitioners, organisations, faith-based institutions and government representatives from across Africa.

SUMMIT THEME

"Inclusive Strategies for Ending Human Trafficking: Reaching the Most Marginalized"

Through interactive discussions and learning sessions, participants explored practical and inclusive strategies for preventing trafficking, protecting vulnerable communities and upholding the dignity, freedom and human rights of every person.

Our participation reflects an ongoing commitment to building regional and continental partnerships — sharing knowledge and contributing to coordinated efforts to prevent trafficking, protect survivors and advocate for human dignity.

ALSO THIS QUARTER

In the colleges

In November 2025 we ran an awareness training at Taita Taveta National Polytechnic with the institution's administration, teaching faculty and students, focused on the recruitment patterns now targeting educated young people. That material is published separately as **Know the Signs**, available in this library.

Coming up

- 8 February — International Day of Prayer and Awareness against Human Trafficking, the feast of St Josephine Bakhita. Parish materials will be circulated in advance.

Human trafficking is a crime against humanity. We must unite our efforts to free victims and stop this crime.

ABOUT US

More than just a cause, a calling

In 2016, TIK-RAHT began in Kenya during the Jubilee Year of Mercy, initiated by a collective effort of consecrated religious, lay women and men. Inspired by Pope Francis' call to embody acts of mercy, particularly the corporal works of mercy, the organisation focuses on reaching out to and assisting those who reside on the margins of society.

VISION

Inspired by the mercy of God, we envision a world free from human trafficking.

MISSION

To uphold human dignity at all costs — from modern-day slavery to freedom — collaborating to eradicate human trafficking.

Our values. Unity in Diversity · Mutual Support · Integrity · Honesty · Confidentiality · Prayer

Our approach: the four Ps. **Prayer** — rooted in faith, uplifting both survivors and perpetrators. **Protection** — psychosocial support, medical aid and shelter for the holistic well-being of survivors. **Prevention** — community workshops, training and media advocacy. **Partnerships** — collaborating with a diverse network of stakeholders.
